--	------------------	---

Jo Poynter came to talk to us about the update Valuing People. The Government have asked us to tell them what we think. We need to think about how to do this and decide what we want to say.

  <p><b>3:30</b> until <b>3:45</b></p>	<p><b>4.</b></p>	<p>Thinking about money</p> 
--	------------------	--

In April the money we get from the Government is coming to the City Council. Until now it has gone to Health first. The Local Implementation Group has thought about ideas for spending the money next year. They have been thinking about the areas Valuing People say are important and what we want to do. We are also giving out the money in a different way next year.

  <p><b>3:45</b> until <b>4:00</b></p>	<p><b>5.</b></p>	<p>Deciding a topic for next time. We had said we wanted to think about money, leisure, keeping safe and have not done this yet. We also said we wanted to talk more about short breaks.</p>
